PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 06/23/2015 and 07/10/2015.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Special Condition # 24: You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

Supporting Evidence: Mr. Botzon is currently participating in inpatient chemical dependency treatment at Sun Ray Court. According to the monthly report received from Sun Ray Court dated July 31, 2015, upon completing the intake process with their facility on July 21, 2015, Mr. Botzon submitted to a urinalysis test that was positive for Ethyl Glucuronide. Presence of the listed substance is consistent with Mr. Botzon drinking alcohol prior to his submission to inpatient treatment. According to Sun Ray Court staff, when confronted, Mr. Botzon admitted to drinking two "Earthquake" alcoholic beverages on July 20, 2015.
